

Leading independent communications worldwide

New Biz Wins

Strong new business flows evidence growing opportunity even in a stagnant UK economy. Both Cubitt Consulting and CJP, our US operation, have had an excellent start to the year on both sides of the Atlantic, with a record number of client wins.

Fleming Family & Partners

Fleming Family & Partners, the international multi-family office appointed Cubitt as its corporate and financial communications advisor, to support the positioning and development of the firm's growth across all areas of activity.

ACPI Investments, a leading London based asset management and hedge fund business, with \$3 billion under management, that specialises in fixed income and emerging markets' investments appointed Cubitt to work on the launch of a \$500 million fund - the first UCITS fund to invest exclusively in Indian fixed income.

Commercial Intelligence Funds Group, launched internationally a \$100 million specialist litigation fund to finance lawsuits, debt claims and arbitration costs in emerging markets. Cubitt advised on both this fund launch and a range of CI distressed asset lawsuits.
